## RESPONSE TO RESTRICTION REQUIREMENT

Mail Stop Amendment Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Dear Sir:

This is in response to the restriction requirement set forth in the Office Action mailed July 13, 2006, applicant hereby provisionally elects Embodiment I (claims 1-4, 9-26 and 82-86) with traverse.

The traversal is made on the grounds that it is believed that a search and examination of all claims would place no undue burden on the Examiner (see MPEP §803).

Though claims 1-4, 9-26 and 82-86 have been listed as belonging to Embodiment I in the office action, it is believed that all pending claims 1-26, 75 and 78-86 are not excluded from belonging to Embodiment I. Therefore, it is submitted that all of the pending claims are also readable upon Embodiment I and may be examined in connection with Embodiment I.

Applicant invites the Examiner to contact the undersigned if there are any questions or comments regarding this response.
